Dear Cllr Harwood

Referrals to Furnistore.

I have enclosed leaflets about the services Furnistore can offer and the help we can provide to your constituents. Please do pass them on to your constituents if you feel we can help.

Furnistore is open to the general public but we are here primarily to help those families who may be struggling financially and in need of essential furniture or household goods. Although we are always offered more furniture than we can take, Furnistore offers a collection service for donated goods. We also provide work experience and volunteering opportunities and helped 9 volunteers into employment in 2017.

Furnistore offers a 50% discount to those on means tested benefits and, for those in crisis or in particular need, we may be able to offer essential items free of charge.

If you need further information, please phone or email me.

Yours sincerely

Jenny Barrett
Manager – Furnistore.
