

## Have your say about council services survey

Almost 2,500 households have been randomly selected to take part in a survey about Tandridge District Council services.

The *Have your say about council services* questionnaire will help the Council find out what residents think about the services the council provides, the area they live and how well the Council communicates with them to see where improvements could be made.

A copy of the survey is available on the website [www.tandridge.gov.uk/survey](http://www.tandridge.gov.uk/survey), or by e-mailing [customerservices@tandridge.gov.uk](mailto:customerservices@tandridge.gov.uk), or calling 01883 722000.

Councillor Martin Fisher, Leader of the Council, said: "We want to know how residents feel about the services we provide. Keeping residents and businesses informed is really important and we want to make sure we get it right. If you get a survey form, please do take the time to fill it in. Your views are important to us."
