

Dear all

Recycling and rubbish teams are out collecting the work scheduled for Wednesday 28 February and Thursday 1 March where it is safe to do so. An update on the collections missed on Tuesday 27 February will be available shortly.

We are asking residents to please present their recycling and food waste at the edge of the property as normal and it would help the crews if rubbish can also be presented at the edge of the property.

There is a garden waste collections service.

Please visit www.tandridge.gov.uk where we will post further information as it becomes available.
