

You are receiving this email because we would like to send you regular updates about the M23 junctions 8 – 10 Smart Motorway work programme. If you wish to unsubscribe, please contact me at the email address below and you will be removed from the list. You can re-join at any time upon request.

Weekly Update on SMP M23 Programmed Work

Edition No: 24

Works Information

Monday 26 November – Friday 30 November

On Monday 26 November for 1 night, there will be a lane 1 closure leading to a full closure of junction 10 northbound entry slip on the M23 between 10pm and 4am. A fully signed diversion route is in place via junction 10a and back. On Tuesday 27 November for 4 nights, there will be a lane closures leading to a full closure of the junction 10 (Crawley) northbound exit slip on the M23 between 10pm and 4am. Diversion northbound will be via junction 9 (Gatwick) and back

Free recovery service and speed enforcement are in place and **working** to ensure drivers and road workers safety.

STOP PRESS

On Saturday 1 December, there will be a full closure of the Gatwick Spur road eastbound from the North Terminal to junction 9 (Gatwick) of the M23, this will include the northbound entry slip at junction 9. There will be a fully signed diversion route in place via the A23 London Road, A2011, Crawley Avenue and re-join at junction 10 of the M23.

Full Closure – December 2018

We will have a full overnight weekend closure on Friday 7, Saturday 8 and Sunday 9 December between 9pm and 6am (5am Mon 10 Dec) . This is to remove the existing gantries on the M23. There is a full diversion route in place from junction 6 (Godstone)of the M25 via the A22, A264 to junction 10 (Crawley) of the M23 and from junction 10 (Crawley) via the A2011, London Road, Airport Way into Gatwick Airport –
